To: San Mateo County Flood and Sea Level Rise Resiliency District Board of Directors

From: Larry Patterson, Interim CEO

Subject: Resolution Adopting Conflict of Interest Code

RECOMMENDATION:

That the Board of Directors (the “Board”) adopt a resolution adopting the Conflict of Interest Code for the San Mateo County Flood and Sea Level Rise Resiliency District (the “District”).

BACKGROUND:

The Political Reform Act (the “Act”), which is set forth in Government Code Sections 81000-91014, prohibits a public official from using his or her official position to influence a governmental decision in which he or she has a financial interest. Every state and local agency must adopt a conflict of interest code that identifies all officials and employees within the agency who make governmental decisions based on the positions they hold. The individuals in the designated positions must disclose their financial interests as specified in the agency’s conflict of interest code.

To help identify potential conflicts of interest, the law requires public officials and employees in positions designated by their agency’s conflict of interest code to report their financial interests on a form called Statement of Economic Interests (“Form 700”). An agency’s conflict of interest code and Form 700s are fundamental tools in ensuring that officials are acting in the public’s best interest and not their own.

As a newly formed public agency, the District must adopt a conflict of interest code.

DISCUSSION:

Staff recommends that the Board adopt the proposed resolution adopting the District’s Conflict of Interest Code (the “Code”), a copy of which is attached as Attachment 1 and incorporated by this reference. There are three components of the Code.

1. Incorporation Section (Terms of the Code). 2 Cal. Code of Regulations Section 18730 provides that “[i]ncorporation by reference of the terms of this regulation along with the designation of employees and the formulation of disclosure categories in the Appendix referred to below constitute the adoption and promulgation of a conflict of interest code...” Thus, the first component of the Code incorporates by reference Section 18730, which provides the rules for disqualification procedures, reporting financial interests, and references the current gift limit.
2. **List of Designated Positions.** The second component of the Code lists all agency positions involving the making or participation in making of decisions that “may foreseeably have a material effect on economic interests.”

3. **Detailed Disclosure Categories.** The final component of the Code describes the types of financial interests’ officials in one or more job classifications must disclose on their Form 700s. As required by law, the categories are tailored to the financial interests affected and do not require public officials to disclose private financial information unrelated to their public employment.

Once the Code is adopted, it must be submitted for approval to the County Board of Supervisors as the code reviewing body pursuant to Government Code Section 82011(b).

District Counsel has reviewed the Code and resolution.

**FISCAL IMPACT:**

There is no fiscal impact associated with adoption of the resolution adopting the Code.

CONFLICT OF INTEREST CODE
SAN MATEO COUNTY FLOOD AND SEA LEVEL RISE RESILIENCY DISTRICT
State of California

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (specifically, 2 California Code of Regulations Section 18730 (“Section 18730”)) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency’s code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. Section 18730 and the attached Appendix designating positions and establishing disclosure categories shall constitute the conflict of interest code of the San Mateo County Flood and Sea Level Rise Resiliency District (the “Code”).

As directed by Government Code Section 82011, the Code reviewing body for all districts within the County of San Mateo is the Board of Supervisors. Pursuant to 2 Cal. Code of Regs. Section 18227 and Government Code Section 87500, the County Clerk is responsible for reviewing and retaining statements of economic interests and making the statements available for public inspection and reproduction.

Individuals holding designated positions shall file their Statements of Economic Interests with the Clerk of the Board of the Flood and Sea Level Rise Resiliency District (the “District”), which will make the statements available for public inspection and reproduction (Gov. Code Sec. 81008). Upon receipt of the statements, the District shall make and retain copies and forward the originals to the County Clerk.

Such written determination shall include a description of the consultant or new position’s duties and, based upon that description, a statement of the extent of disclosure requirements. The CEO determination is a public record and shall be retained for public inspection in the same manner and location as this conflict-of-interest code. (Gov. Code Section 81008.)

Agenda Report

Date: April 13, 2020

To: San Mateo County Flood and Sea Level Rise Resiliency District Board of Directors

From: Brian E. Kulich, District Counsel

Subject: Amended and Restated Joint Powers Agreement for the San Francisquito Creek Joint Powers Authority

RECOMMENDATION:
That the San Mateo County Flood and Sea Level Rise Resiliency District (the “District”) Board of Directors (the “Board”) adopt a resolution approving the Amended and Restated Joint Powers Agreement for the San Francisquito Creek Joint Powers Authority (the “JPA”), a copy of which is Attachment A to this Report.

BACKGROUND:
In 1998, the San Francisquito Creek flooded and damaged approximately 1,700 properties. The following year, the City of Menlo Park, the City of Palo Alto, the City of East Palo Alto, the Santa Clara Valley Water District, and the San Mateo Flood Control District (the “Member Entities”) established the JPA, the purpose of which was to collectively contribute resources and implement policies and projects of mutual interest relating to the San Francisquito Creek.

Since its formation, the JPA has led, or is leading, five major capital projects: San Francisco Bay to Highway 101 Project; Caltrans Highway 101 Project; Upstream of Highway 101 Project; the U.S. Army Corps of Engineers Feasibility Study; and the Strategy to Advance Flood-protection, Ecosystems and Recreation along the Bay (SAFER Bay Project).

Pursuant to Assembly Bill 825 (“AB 825”), the San Mateo Flood Control District was renamed as the San Mateo County Flood and Sea Level Rise Resiliency District, its mission was expanded, and, effective January 1, 2020, its governing board was changed from the San Mateo County Board of Supervisors to this independent Board. Although the legislative history of AB 825 makes clear that the District is not a new entity, the JPA Board of Directors recommended updating the JPA Agreement to reflect the District’s new name.

In addition, the JPA recommended other updates to the JPA Agreement, which is now over 20 years old. Many of these updates involved minor language changes to reflect current practices.
of the JPA or updates to State law related to joint power authorities generally. Other updates involved larger policy issues relative to expanding the JPA’s enumerated purposes and powers.

The Member Entities requested that these updates be divided into two phases—the first phase would address the administrative amendments and the second phase would address the more substantive policy-based updates. This phased process would allow the JPA to move forward with the administrative amendments while giving it and the Member Entities more time to work through the substantive amendments.

DISCUSSION:

An attorney working group consisting of attorneys from the JPA and Member Entities reviewed updates to the JPA Agreement. The attorney group agreed to a series of administrative amendments that could be adopted before the more substantive policy-based updates.

The administrative amendments addressed in this first phase are shown in track changes on Attachment B and include clarifications and modifications regarding:

- The District’s name change;
- Who can serve as a JPA Board member;
- The timing of Board elections;
- Adoption of both operating and capital budgets;
- Designation of fiscal year;
- Updated insurance and bonding provisions;
- Expanded options for audits and other financial controls;
- Modification of JPA expulsion and termination voting provisions;
- The process for future amendments to the JPA agreement; and
- Inclusion of a standard “no third party beneficiaries” provision (which prevents non-parties from asserting rights under the contract).

Staff recommends that the Board adopt a resolution approving these amendments to the JPA Agreement.

FISCAL IMPACT:

There is no known fiscal impact associated with adoption of a resolution approving the Amended and Restated JPA Agreement.

This Amended and Restated Agreement (“Agreement”) is made by and among the City of Menlo Park, the City of Palo Alto, the City of East Palo Alto, the Santa Clara Valley Water District, and the San Mateo County Flood and Sea Level Rise Resiliency District (“Member Entities”), all of which are public entities organized and operating under the laws of the State of California and each of which is a public agency as defined in California Government Code section 6500.

RECITALS

A. The Joint Exercise of Powers Act, being Government Code sections 6500 et seq. (the “JPA Law”), permits two or more local public entities by agreement to jointly exercise any power common to them.

B. Following years of effort to address environmental and flooding concerns related to the watershed and floodplain of San Francisquito Creek (encompassing approximately 50 square miles from the Santa Cruz Mountains to San Francisco Bay), and soon after the flood of record in 1998 damaged approximately 1,700 properties, the Member Entities established the San Francisquito Creek Joint Powers Authority pursuant to that certain “Joint Exercise Agreement Creating the San Francisquito Creek Joint Powers Authority,” dated as of May 18, 1999, to collectively contribute resources and implement policies and projects of mutual interest relating to the primary natural features that unite them, including the San Francisquito Creek (“Creek”).

C. The governing body of each Member Entity has determined that it is in the Member Entity’s best interest and in the public interest that this Amended and Restated Agreement be executed to make minor procedural updates, including the change on January 1, 2020 of the San Mateo County Flood Control District to the San Mateo County Flood and Sea Level Rise Resiliency District.

NOW, THEREFORE, the Member Entities, by, between and among themselves, in consideration of the mutual benefits, promises, and agreements set forth below, hereby agree as follows:

1. CREATION OF THE SAN FRANCISQUITO CREEK JOINT POWERS AUTHORITY. Pursuant to the JPA Law, the Member Entities create a public agency, separate and apart from the Member Entities to be known as the San Francisquito Creek Joint Powers Authority (the “Authority”). Pursuant to Government Code section 6508.1, the debts, liabilities, and obligations of the Authority shall not constitute debts, liabilities, or obligations of any party to this Agreement. A Member Entity may separately contract for or assume responsibility for specific debts, liabilities, or obligations of the Authority. For purposes of, and to the extent required by, Government Code section 6509, in exercising its powers, the Authority shall be
subject to the restrictions upon the manner of exercising the powers of the City of Menlo Park, except as otherwise authorized or permitted by the JPA Law.

2. PURPOSES. This Agreement is entered into by Member Entities under the JPA Law for the following purposes:

   a. To facilitate and perform bank stabilization, channel clearing and other Creek maintenance.
   b. To plan flood control measures for the San Francisquito Creek watershed.
   c. To take actions necessary to preserve and enhance environmental values and instream uses of San Francisquito Creek.
   d. To coordinate emergency mitigation and response activities relating to San Francisquito Creek.
   e. To make recommendations to Member Entities for funding and alternatives for long term flood control for Member Entity consideration.

3. PARTIES TO AGREEMENT. Each Member Entity certifies that it intends to and does contract with every other Member Entity which is a signatory to this Agreement. Each Member Entity also certifies that the deletion of any Member Entity from this Agreement does not affect this Agreement nor each Member Entity’s intent to contract with the Member Entities then remaining. Pursuant to Assembly Bill 825 (Chapter 292, Statutes of 2019), which amended the San Mateo County Flood Control District Act to provide for the San Mateo County Flood and Sea Level Rise Resiliency District, the Member Entities agree that the San Mateo County Flood and Sea Level Rise Resiliency District is the entity formerly known as the San Mateo County Flood Control District, and as such is subject to the terms and conditions of this Agreement.

4. TERM OF AGREEMENT. This Agreement became effective as of May 18, 1999, and continues in full force until terminated in accordance with Paragraph 18 (Termination and Distribution).

5. POWERS OF THE AUTHORITY. The Authority through its Board of Directors is authorized, in its own name and subject to the limitations set forth below, to do all acts necessary to fulfill the purposes of this Agreement referred to in Paragraph 2 (Purposes) including, but not limited to, each of the following:

   a. Make and enter into contracts;
   b. Incur debts, liabilities, and obligations, provided that no debt, liability, or obligation of the Authority shall be a debt, liability, or obligation of a Member Entity except as separately agreed to by a Member Entity;
   c. Receive contributions and donations of property, funds, services, and other forms of assistance from any source;
d. Sue and be sued in its own name;

e. Contract with independent consultants and/or contractors;

f. Receive, collect, and disburse monies;

g. Carry out other duties as required to accomplish other responsibilities as set forth in this Agreement;

h. Assign, delegate, or contract with a Member Entity or third party to perform any of the duties of the Board including, but not limited to, acting as administrator for the Authority; and

i. Exercise all other powers necessary and proper to carry out the provisions of this Agreement.

These powers shall be exercised in the manner provided by applicable law and as expressly set forth in this Agreement.

6. MEMBER ENTITY APPROVALS AND RESPONSIBILITIES. Each Member Entity has the approval authority, obligations and responsibilities set forth in this Agreement. SAN FRANCISQUITO CREEK
JOINT POWERS AGREEMENT

This Amended and Restated Agreement ("Agreement") is made by and among the City of Menlo Park, the City of Palo Alto, the City of East Palo Alto, the Santa Clara Valley Water District, and the San Mateo County Flood Control and Sea Level Rise Resiliency District ("Member Entities"), all of which are public entities organized and operating under the laws of the State of California and each of which is a public agency as defined in California Government Code section 6500.

RECITALS

A. The Joint Exercise of Powers Act, being Government Code sections 6500-6515, permitting et seq. (the "JPA Law"), permits two or more local public entities by agreement to jointly exercise any power common to them, authorizes the Member Entities to enter in this San Francisquito Creek Joint Powers Agreement ("Agreement").

B. Each Member Entity desires to join together with the other Member Entities for the primary purpose of managing the joint contribution of services and providing policy direction on issues of mutual concern relating to the San Francisquito Creek ("Creek"), including bank stabilization, channel clearing and other Creek maintenance, planning of flood control measures, preserving and enhancing environmental values and instream uses, and emergency response coordination. Following years of effort to address environmental and flooding concerns related to the watershed and floodplain of San Francisquito Creek (encompassing approximately 50 square miles from the Santa Cruz Mountains to San Francisco Bay), and soon after the flood of record in 1998 damaged approximately 1,700 properties, the Member Entities established the San Francisquito Creek Joint Powers Authority pursuant to that certain "Joint Exercise Agreement Creating the San Francisquito Creek Joint Powers Authority," dated as of May 18, 1999, to collectively contribute resources and implement policies and projects of mutual interest relating to the primary natural features that unite them, including the San Francisquito Creek ("Creek").

C. The governing board of each Member Entity has determined that it is in the Member Entity’s best interest and in the public interest that this Amended and Restated Agreement be executed and that it is participating as a member of the public entity created by this Agreement, to make minor procedural updates, including the change on January 1, 2020 of the San Mateo County Flood Control District to the San Mateo County Flood and Sea Level Rise Resiliency District.

NOW, THEREFORE, the Member Entities, by, between and among themselves, in consideration of the mutual benefits, promises, and agreements set forth below, hereby agree as follows:

1. CREATION OF THE SAN FRANCISQUITO CREEK JOINT POWERS AUTHORITY. Pursuant to Chapter 5, Division 7, Title 1 of the Government Code of the State of California (commencing with Section 6500) (as amended from time to time, the "JPA Law") the
JPA Law, the Member Entities create a public agency, separate and apart from the Member Entities to be known as the San Francisquito Creek Joint Powers Authority (the “Authority”). Pursuant to Government Code section 6508.1, the debts, liabilities, and obligations of the Authority shall not constitute debts, liabilities, or obligations of any party to this Agreement. A Member Entity may separately contract for or assume responsibility for specific debts, liabilities, or obligations of the Authority. The Authority shall require indemnification on behalf of itself and its members as determined by its Board of Directors from entities with which it enters into agreements. For purposes of, and to the extent required by, Government Code section 6509, in exercising its powers, the Authority shall be subject to the restrictions upon the manner of exercising the powers of the city or county Member Entity specified in this Agreement City of Menlo Park, except as otherwise authorized or permitted by the JPA Law.

2. PURPOSES. This Agreement is entered into by Member Entities under the JPA Law for the following purposes:

Assembly Bill 825 (Chapter 292, Statutes of 2019), which amended the San Mateo County Flood
Control District Act to provide for the San Mateo County Flood and Sea Level Rise Resiliency

Any Member Entity that has been expelled shall remain subject to the provisions of Paragraph 25.23 (Liability of the Authority; Release and Indemnity) with respect to any event or occurrence taking place before the Member Entity was expelled.

**20.18. TERMINATION AND DISTRIBUTION.**

a. **Termination.** This Agreement shall continue until terminated. This Agreement may be terminated by the written consent of two-thirdsfour-fifths (24/35) of the Member Entities; provided, however, this Agreement and the Authority shall continue to exist after termination for the purpose of disposing of all claims, distribution of assets, and all other functions necessary to conclude the obligation and affairs of the authority.

b. **Surplus.** After completion of the Authority’s purposes, any surplus money on deposit in any fund or account of the Authority shall be returned in proportion to the contributions made as required by Section 6512 of the California Government Code. The Board is vested with all powers of the Authority for the purpose of concluding and dissolving the business affairs of the Authority, including for the disposition, division, or distribution of any property acquired as a result of the joint exercise of powers.

**21.19. NOTICES.** Notices to each Member Entity under this Agreement are sufficient if mailed to its respective address on file with the Authority.

**22.20. PROHIBITION AGAINST ASSIGNMENT.** No Member Entity may assign a right, claim, or interest it may have under this Agreement, and any such assignment shall be void. No creditor, assignee, or third-party beneficiary of a Member Entity has a right, claim, or title to any part, share, interest, fund, or asset of the Authority.

**23.21. AMENDMENTS.** This Agreement may be amended by a unanimous vote of the Member Entities of the Authority acting through their approval by the governing bodies. A proposed amendment must be submitted to each Member Entity at least thirty (30) days in advance of the date when the Member Entity considers it. An amendment is to be effective immediately unless otherwise designated.

**24.22. SEVERABILITY.** If a portion, term, condition, or provision of this Agreement is determined by a court to be illegal or in conflict with the law of the State of California, or is otherwise rendered unenforceable or ineffectual, the validity of the remaining portions, terms, conditions, and provisions is not affected.

**25.23. LIABILITY OF THE AUTHORITY; RELEASE AND INDEMNITY.** Funds of the Authority may be used to defend, indemnify, and hold harmless the Authority, any Member Entity, any member of the Board, and each officer, employee, and agent of the Authority for their actions taken within the scope of their duties while acting on behalf of the Authority. The parties to this Agreement release each other and agree to hold each other harmless, as well as their officers and employees, for any loss or liability arising from their respective activities pursuant to this Agreement. Except as otherwise provided herein, each party agrees to indemnify, defend and hold harmless the other parties, their officers, agents, and employees from any and all demands, claims, or liabilities of any nature, including death or injury to any person, property damage, or...
any other loss caused by or arising out of that party’s performance or failure to perform the obligations assumed under this Agreement. Each Member Entity agrees that legal counsel for any Member Entity may be designated by the Board to represent the Authority by performing legal services, including litigation, and that any potential conflict of interest arising from such representation shall be deemed waived by the Authority and Member Entity, unless an actual adverse relationship exists between the Member Entity and the Authority with respect to the particular matter. The designation of legal counsel from a Member Entity shall be with the approval of that Member Entity.

26.24. GOVERNING LAW. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

27.25. COUNTERPART. This Agreement may be executed in counterparts, each of which shall be an original, but all of which shall constitute one instrument.

28.26. AGREEMENT COMPLETE. The foregoing constitutes the full and complete Agreement of the Member Entities. There are no oral understandings or agreements not set forth in writing herein.

27. NO THIRD-PARTY BENEFICIARIES. Nothing in this Agreement, whether express or implied, shall be construed to give any person or entity, other than the parties hereto, any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenants, conditions or provisions contained herein.
